

## **IMPORTANT**

*Note our make-up lesson policy!*

We know that some of you are reluctant to sign up for a riding package knowing that you'll miss a couple weeks. So, here's a more flexible policy for future sessions:

### **Spring Session: March 1 – May 24**

Mondays, Tuesdays, Wednesdays – 11 lessons available. Buy a package of 9 lessons.  
(\$288 for group/\$333 for semi-privates)

Thursdays – 9 lessons available. Buy a package of 7 lessons.  
(\$224 for group/\$259 for semi-privates)

Fridays – Saturdays – 8 lessons available. Buy a package of 6 lessons.  
(\$192 for group/ \$222 for semi-privates)

This means that there are 2 make-ups / extras built into every schedule. For example: You ride Thursdays at 4:00. There are 9 Thursdays available. You commit to riding 7 of those Thursdays (with the option of adding in the other 2). If you miss a lesson, you can either ride on another Thursday, or see your instructor to schedule a make-up lesson at another available time and day. If you need to miss more than 2 lessons, you will just need to be sure to attend any additional make-ups lessons before May 24th when the Spring Session ends. There are no mandated make-up days. Please remember to let us know which weeks you will be away.

You are always welcome to take additional lessons, just pay for them as you add them.
