

IMPORTANT

Note our make-up lesson policy for the summer session!

We know that some of you are reluctant to sign up for a summer riding package knowing that you'll miss a couple weeks while you're on vacation or the kids are away at camp. So, here's a more flexible policy for the summer session:

Summer Session: June 16-September 5

Monday, Thursday, and Saturday – 9 lessons available. Buy a package of 7 lessons. (\$224 for group/\$259 for semi-privates)

Tuesday, Wednesday – 10 lessons available. Buy a package of 8 lessons. (\$256 or group/\$296 for semi-privates)

Friday – 8 lessons available. Buy a package of 6 lessons. (\$192 for group/\$222 for semi-privates)

This means that there are 2 make-ups / extras built into every schedule. For example: You ride Tuesdays at 4:00. There are 10 Tuesdays available. You commit to riding 8 of those Tuesdays (with the option of adding in the other 2). If you miss a lesson, you can either ride on another Tuesday, or see your instructor to schedule a make-up lesson at another available time and day. If you need to miss more than 2 lessons, you will just need to be sure to schedule any additional make-ups before September 5th when the Summer Session ends. There are no mandated make-up days. Please remember to let us know which weeks you will be away.

You are always welcome to take additional lessons, just pay for them as you add them.

Any questions? Please see Bernie, Stephanie or Alecia.

Have a great summer!
