

Andrews Osborne
ACADEMY

May 10, 2010

Dear Parents,

This letter is to inform you of the Andrews Osborne Academy 2010-2011 Bus Transportation Schedule and cost.

We are keeping the departure time from AOA at 3:15pm for Lake/Geauga County and the Rt. 306, Chagrin Blvd., & Wilson Mills bus will depart AOA at 5:00pm. The pick-up times will remain the same and they are listed on the transportation form which is included. These pick-up and departure times are subject to change based on the number of students needing transportation. We may have additional pick-up / drop-off locations and times, or we may have to decrease the number depending on the demand in certain areas. The cost for this roundtrip service is \$900 per child or \$1,700 for family. There will be two installments billed at the beginning of each semester.

If we currently do not send transportation to your area, please note that you would like transportation and your city in which you live. If there is a demand, Andrews Osborne Academy will attempt to provide transportation if feasible.

Please contact me if you have any questions.

Thank you,

Jim Stayer
Director of Business Operations
