

IMPORTANT

Note our make-up lesson policy!

We know that some of you are reluctant to sign up for a riding package knowing that you'll miss a couple weeks. So, here's a more flexible policy for future sessions:

Spring Session:

Mondays, Fridays, & Saturdays– 10 lessons available. Buy a package of 8 lessons.
(\$256 for group/\$296 for semi-privates)

Tuesdays, Wednesdays, & Thursdays - 12 lessons available. Buy a package of 10 lessons.
(\$320 for group/\$370 for semi-privates)

This means that there are 2 make-ups / extras built into every schedule. For example: You ride Mondays at 4:00. There are 10 Mondays available. You commit to riding 8 of those Mondays (with the option of adding in the other 2). If you miss a lesson, you can either ride on another Monday, or see your instructor to schedule a make-up lesson at another available time and day. If you need to miss more than 2 lessons, you will just need to be sure to attend any additional make-ups lessons before the end of the Spring Session. There are no mandated make-up days. Please remember to let us know which weeks you will be away.

You are always welcome to take additional lessons, just pay for them as you add them.
