

Andrews Osborne Academy Thomas J. Osborne Library Birthday Book Program

Dear Parents and Grandparents,

One of the fine school traditions carried on at the Thomas J. Osborne Library is the Birthday Book Program. For many years, parents have contributed to the Birthday Book fund so their children might have the pleasure of giving a new book to the T. J. Osborne Library in honor of the child's birth date (or holiday or special event, too!).

A variety of books are available for your child to choose to give to the library. A bookplate bearing the child's name and birthday is placed in the front of the book. The student is also the first person to check the book out of the library. Your son or daughter may select a book during his/her birthday month, and children with June and July birthdays may select a book during a "warm spot" in January. You may send the information slip below along with your check at the beginning of the school year, and we will send your child an invitation to select the Birthday Book when your child's birthday month arrives or in January if your child has a June or July birthday.

Our library has made rapid progress in the past few years through the Birthday Book purchase program. You are cordially invited to visit the library and see what an attractive, vital, and functional part of the school it is. Your generous support makes this all possible!

Sincerely,

Nancy DeVault
Librarian
