

IMPORTANT

Note our make-up lesson policy!

We know that some of you are reluctant to sign up for a riding package knowing that you'll miss a couple weeks. So, here's a more flexible policy for future sessions:

Winter Session:

Tuesdays –Fridays - 12 lessons available. Buy a package of 10 lessons.

(\$320 for group/\$370 for semi-privates)

Saturdays - 10 lessons available. Buy a package of 8 lessons.

(\$256 for group/\$296 for semi-privates)

Mondays – 11 lessons available. Buy a package of 9 lessons

(\$288 for group/\$333 for semi-privates)

This means that there are 2 make-ups / extras built into every schedule. For example: You ride Thursdays at 4:00. There are 12 Thursdays available. You commit to riding 10 of those Thursdays (with the option of adding in the other 2). If you miss a lesson, you can either ride on another Thursday, or see your instructor to schedule a make-up lesson at another available time and day. If you need to miss more than 2 lessons, you will just need to be sure to attend any additional make-ups lessons before the end of the Fall Session. There are no mandated make-up days. Please remember to let us know which weeks you will be away.

You are always welcome to take additional lessons, just pay for them as you add them.
